

YOUR POST-ACUTE PARTNER

Things every hospital executive should know about partnering with MileStone Healthcare

For 25 years and counting, MileStone Healthcare has worked to improve the Post-Acute Care continuum.

- 1.** Since 1991, MileStone has set the standard for providing innovative, value added solutions to improve the performance and care levels of client PAC services.
- 2.** MileStone provides assistance to clients through different levels of intervention based on the client's needs and desires to include ongoing or one-time consulting support, management, staffing and MileStone Tracker.
- 3.** Our scope of services and expertise extends across the PAC continuum and includes Behavioral Health, making MileStone unique in our ability to understand and coordinate an array of services.
- 4.** Having assisted over 350 clients, MileStone has worked with Healthcare Systems, stand-alone hospitals and providers, Skilled Nursing Facilities, LTCHs and Behavioral Health facilities in urban and rural settings.
- 5.** MileStone is a national organization having served clients across the country.

MileStone Healthcare has 25 years of experience helping clients navigate changes in the Post-Acute Care and Behavioral Health landscape. We can work with you on identifying opportunities for improvements in existing services, training, education and the development of needed services to help you succeed.
